This Lenten Community Prayer Calendar is a product of the Batavia Ministerial Association. It has been drafted in response to recent events in our nation and throughout the world. Prayer always is a proper first and continued response to chaos, fear, uncertainty and human pain as well as an acknowledgement of the blessings we share.

We invite you along with the entire Batavia community to pause at noon each day of Lent and focus on the intention for that day. We affirm Spiritual synergy in the manifestation of the Presence of God in our lives. We all count. Through prayer we make a difference.
